

# MEMBERSHIPS:

The Hermon Skeet Club is operated and managed solely by members dedicating their time, labor, and skills.

## Annual

Annual members shoot at member rates and enjoy the use of club facilities on regular shooting days or when accompanied by a life member.

## Life

Life members have keys to access the club facilities at any time and may shoot between 9 a.m. and dusk any day of the week.

## Guest Policy

Guests are welcome on regular shooting days or with life members anytime. Please join us for skeet, trap, or sporting clays shooting.

# Hermon Skeet Club

Located on Skeet Club Lane off the Black Stream Road in Hermon, we are a not for profit corporation dedicated to promoting shotgun shooting sports in Eastern Maine.

Founded in 1967 by a small group of enthusiastic and dedicated shooters, the Club has grown to one of the largest shooting clubs in Maine.

We own 220 acres that are open to all forms of recreation by members. The facility includes a clubhouse, storage building, three skeet fields, two trap fields, and one five-stand sporting clays field.

The clubhouse offers the comforts of home and allows us to shoot year-round. Light refreshments are available on regular shooting days.

We sponsor registered skeet, trap, and sporting clays shoots throughout the year. The sporting clays shoots are English style "through-the-woods". With 35 mobile and fixed automatic target machines, a 35 foot tower, and over 20

possible stations, each shoot has a unique combination of target types, sizes, and imaginative trajectories.

## FIELDS

Field 1 is dedicated to the game of **Skeet**.

Field 2, primarily used to shoot **5-Stand** Sporting Clays, can also be used for skeet and trap.

Field 3, primarily for shooting **Trap**, can also be used for skeet.
